Long pressing the button 8 will enter the extended menu chooser. Depending on the character, there may be one or more extended menus that will give you a chance for a longer dynamic interaction.

Ghostface has 1 with a “Play a game” theme. Press the different buttons to customize your interaction. You can click each button as many times as you want and it will always play the same sound.

Extended Mode 1

Button 1: Would you like to play a game?

Button 2: You're very, very cold...

Button 3: You're getting warmer...

Button 4: Warmer...

Button 5: You're on fire!

Button 6: Wrong answer

Button 7: Wrong answer

Button 8: Long pressing will send you back to the original rotating sound menu.
